How to Prepare for a Technical Interview

When: Feb. 17, 2016, 7 p.m.

Where: Old Computer Science 2129

RSVP: <http://www.facebook.com/events/1565618263756784/>

Come practice your technical interviewing skills before the real thing. In the tech industry, "interview" is a codeword for a short test of your skills. SBCS is full of experienced members who will help you make a good impression on your interviewer by running through mock interview questions with you - whiteboard and everything!

Board Game Night with WiCS

When: Feb. 19, 2016, 5 p.m.
